a Better Way to Learn...

Hello, my name is Roger Beattie and I'm your host for this wonderful educational opportunity. I know your schedule is hectic, your time is valuable and that you work hard for your money. For these reasons and many more, our firm developed **30 Minute Mastery**. This exciting product line gives busy men and women the opportunity to learn and benefit from numerous educational offerings that they might otherwise miss. Our exclusive coursework includes a broad range of subjects including personal development, financial planning, real estate investment, sales training, and business development.

"I'm amazed that I got more from one 30-minute program than from a weekend seminar that cost me a hundred times more!" —Marty W.

"This is super. I love the format. The price was amazingly affordable. But the best of all was the material. It was superb." —Bryce B.

"Wow, I could have done so much more if I had this training when I was younger. Still, I'm thrilled to have it now. It is great and tremendously helpful." —Pat H.

30 MINUTE MASTERY

the fast lane on the learning highway

HOW TO **BUY REAL ESTATE WITH NO MONEY DOWN**

- Buy property
- Build a portfolio
- Accumulate Wealth

Using **none** of your own money.

Professional Education that's **fast, effective, and inexpensive.**

EVERYONE can learn and benefit with 30 Minute Mastery.

Anyone willing to take the time can and will benefit from this dynamic course. To maximize the value of this education we suggest the following:

1. Use your computer first. This CD has an autorun feature and should function from simply placing it in your drive.
2. Print off the PDFs from the CD, including any manuals, samples and forms
3. Watch and listen to the program on you computer.
4. Listen to the audio portion multiple times as you drive, hike, mow the lawn etc. Repeated listening will strengthen you knowledge.
5. Review the material any time you desire.

In this course you will learn:

- The truth about "no-money down" programs.
- What constitutes a "no-money" down deal.
- How "no-money down" really works.
- Why "no-money down" might not be a good way to buy.
- A number of "no-money down" techniques.
- How to use "no-money down" for yourself.
